|                                 |                          |  |
|---------------------------------|--------------------------|--|
| It hit me                       | 24/7                     | Player   |
| Duh!                            | I give you that          | Wrap it up   |
| Fair enough                     | Scratch that\            | Land a job   |
| Loaded                          | Skinny                   | To get wasted  |
| Kick ass                        | Dipping                  | Get plastered  |
| Booze                           | Dope                     | Nail   |
| Swell                           | Moon/flash               | Let it go  |
| Snap out of it                  | Mule                     | Give smb a hard time   |
| Jack off                        | Wuss                     | Ace  |
| Jackass                         | Junk                     | Bummer   |
| Cans                            | Bang/do/bone/shag        | Chug   |
| Damn                            | Beat the piss out of smb | Get tipsy  |
| Make out                        | Fanny                    | Leave it alone   |
| Smooth                          | Meth                     | Let it go  |
| Mark my words                   | Bad ass                  | Get hammered   |
| Anyways                         | Cruising for a bruising  | To be whipped  |
| To hit on smb                   | Thug                     | Pumped   |
| Work my fingers to the bone     | Knocked up               | Psyched  |
| To be in the zone               | Uptight                  | Eat it   |
| Give smb the heads-up           | Homies                   | Loaded   |
| Put on show                     | Have a blast             | I dig you!   |
| A no brainer                    | Uptight                  | Get your act together  |
| Straight A's students           | Get hitched              | To say your piece  |
| BRB                             | Dawg                     | To be good for it  |
| That should hold me for a while | Lame                     | <a href="http://www.urbandictionary.com">www.urbandictionary.com</a> |
| Hook up                         | Lousy                    | <i>Corpus of Contemporary<br/>American English</i>                   |
| Boner                           | Lame                     |  |
| Nuts                            | You bet!                 |  |
| Bush                            | Hit the jackpot          |  |
| Screw up                        | To be fashionably late   |  |
