***What global online project can you
imagine?***

- ❧ Think of a telecollaborative project
- ❧ Enter <https://flipgrid.com/telecolaboracion> in your cellphone
- ❧ The code "telecolaboracion"
- ❧ Record your message in 90 seconds and take a selfie
- ❧ Post your recording to the collaborative Flipgrid

PBL and ICT: a win-win strategy

- We develop students' creativity
- We improve students' communication skills
- We teach critical - thinking skills
- We make more horizontal classrooms
- We make learning memorable
- We make deep learning possible(Fullan, 2014)

An invitation

A new global collaboration is about to start...

WORLD ART

Topics	Objetivos	Actividades sugeridas	Herramientas colaborativas
Crafts in the world	Revalorizar las artesanías autóctonas Fomentar la creatividad y el emprendedurismo como promotor social	Los alumnos a través de videos enseñan cómo se realizan artesanías típicas de sus lugares y enseñan a sus pares globales a crearlas	En un blog, las escuelas participantes comparten los videos del proceso mientras que intercambian los productos creados
