BOOM: Wikileaks Confirms Hillary Sold Weapons To ISIS

POLITICS August 8, 2014

PRINT EMAIL A A-

Although Hillary Clinton has repeatedly denied that she sold weapons to the Islamic State while serving as Secretary of State, Wikileaks founder Julian Assange claims he has proof to the contrary.

Thepoliticalinsider.com reported: In Obama's second term, Secretary of State Hillary Clinton authorized the shipment of American-made arms to Qatar, a country beholden to the Muslim Brotherhood, and friendly to the Libyan rebels, in an effort to topple the Libyan/Gaddafi government, and then ship those arms to Syria in order to fund Al Qaeda, and topple Assad in Syria.

Clinton took the lead role in organizing the so-called "Friends of Syria" (aka Al Qaeda/ISIS) to back the CIA-led insurgency for regime change in Syria.
