CHALLENGES

- ✓ It is essential to engage students with fun learning.
- ✓ Teaching mixed ability classes
- ✓ classroom management; and coping with the syllabus.
- ✓ Time constraints on completing an entire course book.

Core language learning characteristics of YLs

- Good at interpreting meaning without understanding individual words
- Great skill in using limited language creatively
- Take delight in talking
- Take pleasure in finding and creating fun in what they do
- Great imagination
- Frequently learn indirectly rather than directly

Halliwel (1992)

THEME BASED SYLLABUS

- Age-appropriate topics and activities
- Different activities are linked together by their content;
 - Connecting thread for pupils and teacher
 - Thematic units are used to integrate the language skills of oral language and reading, writing, speaking, listening.
 - Engaging cross-curricular Smart topics
 - Resources that are current, relevant and reliable
- Teachers should always remember that for Young children syllabus is everything that happens.
- Successful understanding and use of time, key aspect of efficient syllabus planning.
- Encourage children to use the foreign language.
 - The topic 'selects' the new language items, structures, language functions, or vocabulary.

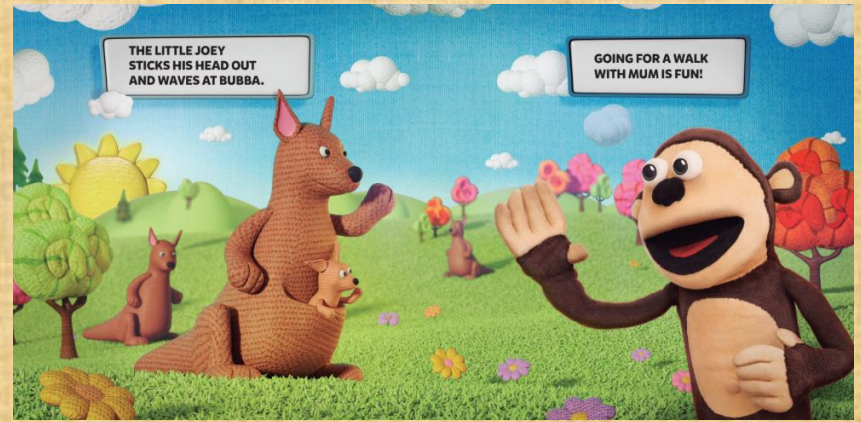

For classroom use:

- ✓ Add students to your account
- ✓ Take photos of their projects throughout the year
- ✓ Print their work into a book

PUPPETS

- **Greetings and routines: “Hello. How are you?”**
- **Creating affective conditions**
- **Using humour to promote learning**
- **Being allowed to get things wrong**
- **Modelling activities**
