M. Laura Perrotta is a graduate teacher from IES “Victoria Ocampo”, Concepción del Uruguay, Entre Ríos. She is currently doing the NILE's MA in Professional Development for Language Education, University of Chichester, UK. She has been an English teacher for 21 years now and a Director for 18. She has taken courses in many areas related to Education in Argentina, Uruguay, Canada, Brazil, UK and USA. She has also founded 3 English Schools. In one of these, Imagine English School, she applies a revolutionary method she has developed herself, in which English is taught to kids, teens and adults in a relaxed environment and practical way. During the last years, she has trained and advised teachers on new trends of teaching English as a second language.
