You're unlikely to become rich

Live and learn

Your dream will come true

Sure that wasn't a cat?

When greeting others

Avoid

ladies gentlemen ma'am sir girls guys etc.

Consider using instead:

- "Thanks, friends. Have a great night!"
- "Good morning, folks!"
- "Hi, everyone!"
- "And for you!"
- "Can I get you something?"

Why?

Shifting to gender-inclusive language respects and acknowledges the gender identities of all people and removes assumption.

The gender identity terms you need to know

Share / Tweet / Reddit / Flipboard / Email

The latest CBSN Originals documentary, "Gender | The Space Between," takes a deep dive into the complexities of gender identity and gender expression. While transgender stories have become more visible in the media, there are many identities and terms outside of the two most culturally accepted genders — man and woman — that fall under the trans umbrella. And in many social circles, the vocabulary related to gender identity is unfamiliar or inaccessible.
